Interactive Digital Table

A sleek, all-in-one unit, comprising Full HD 22" LCD Touch Screen monitor and digital signage processor with detailed, daily and hourly content scheduling. Packed with great features like text tickers and social media integration, these kiosks are a great way to engage customers and dynamically display products, timetables, sponsor signage, and ePosters.

Signs & Lines can help produce your content to maximise the impact of the kiosk and it's touchscreen capabilities.
